Ashley,

If possible, would you be able to share these pictures with the Zoning Board of Appeals for Monday nights upcoming meeting? The vehicle in these two (2) pictures was pulled over by a Walpole Police Officer around 1:57 pm today, October 2, 2020. As you can see, it was stopped right across from Dupee Street in front of 254 High Plain Street. Traffic was pretty steady in both directions at that time and currently is a heavy flow in both directions.

Thank you,
Janis
